

Michael Johnson

Olympic Sprinter and Gold Medallist

Michael Johnson is quite simply one of the greatest athletes on the planet, and one of the best ever. His place in history was sealed at the Atlanta Olympics, during which he won an unprecedented 200 meters and 400 meters sprint double. Winning the double in Atlanta was impressive enough, but it was the nature of the victories, particularly in the 200m, which made Johnson's name forever.

"Michael Johnson was the most eminent figure in athletics in the 1990's"
