Top Executives in the Global 100 Companies and their IT-Competence

Life, Work & Careers in the 21st Century

Professor Prabhu Gupta is one of the leading experts on executive development, being the Head of Wolfsberg Executive Development Centre. He is visiting professor at the most prestigious universities, such as Harvard, the University of Fribourg, Switzerland and business schools around the world and is Chairman of the Career Innovation Group. He writes frequently for the *Financial Times*, *The Guardian*, and *The Times*.

“Prof. Gupta is challenging in his ability to observe the world in a global context”

### In detail

Professor Gupta is founder and chairman of the management consultancy Advance. He is Freeman of the City of London and of the Worshipful Company of Information Technologists, fellow of the Institute of Directors, of the Institute of Personnel and Development, of the Royal Commonwealth Society, as well as of the Royal Society for the Encouragement of the Arts Commerce and Manufacturers.

### What he offers you

Professor Gupta is a widely recognised authority on leadership, long range trends and comparative and cross-cultural ethics. He specializes in exploring the relationship and effects which technology has on societies around the world and is responsible for the Wolfsberg Think Tanks dealing with a wide variety of market and global issues.

### How he presents

A charismatic speaker Professor Gupta delivers valuable insights into executive development, providing astute analyses and predictions about the future of work and other global concerns.

### Languages

He presents in English and Hindi.
