

Sir George Martin

Record Producer, Composer and
Author

Sir George Martin is recognised as one of the music industry's most versatile and imaginative talents, as well as a defining force in popular culture and music. He is best known for producing The Beatles from 1962 - 1970. Because he became such an integral part of the band, George is often referred to as the fifth Beatle.

“Without George Martin the world would have been a different place”
Ringo Starr

In detail

During his career, George Martin has formed and run several recording, production and music publishing companies (Parlophone, AIR, Air Studios and George Martin Music) and has recorded a wide range of diverse artists. In all, George has produced 22 No. 1 singles and 19 No.1 albums in the U.S., as well as, 30 No.1 singles and 16 No 1 albums in the U.K. He has also written the background scores for nine movies and has received five Grammy Awards.

What he offers you

Sir George focuses his presentations on teamwork and creativity, relating much of his finest work to the principles he uses to motivate teams in today's business environment. He also explains the challenges of identifying and developing new talent, a concept that transcends all industries.

How he presents

His presentations are immensely enjoyable and filled with entertaining anecdotes and inspirational ideas that all audiences can easily relate to.
