

Prof. Kenneth S. Rogoff

World Renowned Economist, Professor
of Public Policy and Economics at
Harvard

What he offers you

With so many different regions and cultures in the mix, few people anywhere have the knowledge and breadth of experience to analyze the world economy and give audiences insight into where it is going. Kenneth Rogoff is one of those few, offering solutions as to the way forward.

How he presents

In a light and relaxed way, he conveys complex issues within the global economic context with ease and great clarity.

Languages

He presents in English.
