

Dr. Wulf H. Bernotat

**Former CEO & Chairman of the E.ON
AG Board of Management**

Dr. Wulf Bernotat was at the head of E.ON AG, Europe's second-largest utility, from 2003 to 2010. A Consultant and Senior Advisor at Permira Advisers Ltd., he has been a member of the boards of Bertelsmann, Deutsche Telekom and METRO and of the Supervisory Board of Allianz. His career path took him to the heights of the European energy industry. He exhibited an appreciation for the importance of networking continental resources in order to assure absolute efficiency.

"A leading figure in the energy industry"

In detail

Wulf Bernotat obtained a Doctorate in law. He started his career in the legal department at Shell in Hamburg, Germany. Although he later transferred to the business side of the energy industry, he never lost his interest in law; even in 1997 newspaper and magazine interviews confirmed his knowledge of and comfort with the legal complexities of European business. He was with Shell from 1981 to 1996, working in various European offices, joining VEBA in 1996. In 1998 Bernotat joined Stinnes AG, becoming their CEO.

What he offers you

Having spent his entire career working in the energy industry, Dr. Bernotat provides an open and honest dialogue, discussing the future of German energy policy, taking into account the global warming and nuclear power considerations. With a wealth of experience and an unparalleled depth of research into the world's energy markets, he is highly sought-after by organisations eager to benefit from his considerable expertise and guidance for the future.

How he presents

A practical, methodical administrator, Wulf Bernotat is a clear and forthright speaker, with the ability to communicate his in depth knowledge with clarity and eloquence.

Languages

He presents in English and German.
