

## Dave Birch

**World Leading Expert on Digital Money**

Dave Birch is a technology consultant, columnist, blogger and author. He is a Director of Consult Hyperion, the IT management consultancy that specialises in electronic transactions. Here he provides specialist consultancy support to clients around the world, including all of the leading payment brands, major telecommunications providers, government bodies and international organisations including the OECD.

“One of Britain’s most acute observers of the internet and social networks”  
*Oxford Internet Institute*

### In detail

Before helping to found Consult Hyperion in 1986, Dave spent several years working as a consultant in Europe, the Far East and North America. He is a member of the editorial board of the E-Finance & Payments Law and Policy, a columnist for *SPEED* and well-known for his thought leadership blogging at *Tomorrow's Transactions*. He wrote a *Guardian* column for many years. He is a media commentator on electronic business issues and has appeared on BBC television and radio, Sky and other channels around the world.

### What he offers you

An experienced speaker at international events Dave shares his learning and vision of technology future and its impact with audience all around the world.

### How he presents

Dave sees the world with a different set of eyes and is very practical in putting new ideas into practice. His tailored presentations will be unlike anything you have ever seen before.

### Languages

He presents in English.
