One of the most successful Chinese Internet entrepreneurs, Jack Ma is the lead founder of Alibaba Group. After the company's debut in 1999, he served as Group chairman and chief executive officer but remains executive chairman and continues to shape the Group's business strategy and management development.

Jack Ma graduated from Hangzhou Teacher's Institute with a major in English. He currently serves on the board of SoftBank and has been an advisor to China's State Council since May 11, 2013. In September 2013, he joined the Breakthrough Prize in Life Sciences Foundation as a director.
